

PASSIONATE COMMITMENT

A Lord's Flock General Assembly Topic

Passionate commitment is the cornerstone for a successful ministry. Cultivating this within us will give us the courage and stamina to push through challenges and thrive.

Being passionate means being extremely enthusiastic about something or having strong feelings about something. On the other hand, commitment is a pledge to do something. Passionate people tend to be more motivated and often inspire others in their enthusiasm.

A. Life's troubles should not hinder our commitment to our Lord.

Feelings of rejection can be painful. People naturally dislike bashers and haters. There will be times that we will be rejected because rejection is part of life. All of us will experience failures in life.

Even Jesus was rejected. Jesus focused on Who He is. In the same way, we need to focus on who we are. We are children of God! People may reject and dislike us, but God loves us and will never reject us.

B. Passionate commitment will enable us to overcome the obstacles in our ministry.

Never let the bumps on the road stop our journey. If we have passionate commitment, we

will always try to become the best person we can become.

If we fail and fall, we are required to get up. We haven't failed yet if we haven't given up. Passionate commitment means always and forever.

CONCLUSION:

Let us be passionate about what we do! Find the love in what we do. Embrace the challenges that we encounter and overcome obstacles by focusing on Jesus (Heb. 12: 2). Let us cultivate our passion for God.

REFLECTION:

1. Do you still find yourself passionate in serving the Lord?
2. If you find yourself lacking in this area, seek the Lord, renew your commitment to Him and let the Holy Spirit renew the passion in you.
